The formation of a Municipality at Talkad.

One of the subjects proposed for discussion at the Dasara Reptt. Assembly of 1898-99 was the formation of a Mcp. at Talkad. The Towns. people were desirous of having a Municipality with a view to improve the sanitary condition of the place, and their applic. -ation for the same had the strong support of the Amildar, who reported that a municipality might, with advantage, be consti -tuted at Talkad considering that

that time were 760 houses with a population of 3500 souls.

Talkad is an important town and was once the head-quarters of the Taluk. The present income from Muhatarfa is Rs 329 The Dy. Com^r expects it to swell to Rs 720 when the Munic^y is formed. He states that the request of the inhabitants for a Municipality is "a spontaneous one, springing as it does from a desire to improve the Sanitary condition of their environments, in view of the prevailing dread about plague", and recommends that their prayer may be granted.
